

Imanyo Golf Society

Parkinson's Charity Vase 9th May 2018 at El Plantio

This is the fourth year for this popular competition the "Parkinson Vase". A special thanks goes to Geoff Ham, a Swindon & District Branch member and the competition sponsor, who has Parkinson's and although no longer able to play golf, specially travelled from the UK to Spain for the competition. Imanyo is located midway between Alicante and Mercia

Twenty eight players turned out with over 25% of these making the trip from the UK to play in this competition. The day started with the usual full English breakfast at Imanyo's. This was the first time the competition had been played at El Plantio in two years and the course was in excellent condition and the weather was perfect with light cloud, slight breeze and 25C.

The winner of the "Parkinson's Vase" was Peter List with par for the course net 72, runner up was Andy Godfrey with net 78 and third was "The Wine Collector" Brian Court with net 80.

A grand total on the day of €285 was raised in aid of the Parkinson's Branch in Swindon. The fund raising was made up of 2 football cards, making €80, players were charged €1 for every ball in the water making €30 and yes 30 balls were lost on the day in water and a further €175 was raised with a table top raffle, thank to Society member Don's selling skills.

The picture shows Geoff Ham presenting the vase he sponsors to Peter List.

Geoff visited the Branch at the Wednesday double Balance and Exercise class at Grange Leisure on the 20th of June and presented a cheque to the Branch for £300.

The Branch would like to thank Geoff Ham, the Imanyo Golf Society and also Steve Day, an ex-pat from Swindon who organised the event for all their support over the past four years of our Branch back here in Swindon.

THANK YOU ALL
